

# PRODUCT OVERVIEW REFILL

Examples of refill dispensers

## ASEPT REFILL CONCEPT

**Protecting your product**

- Product stays fresh
- Less need for preservatives
- Can be stored at an ambient temperature

**ASEPT'S fitment keeps the pouch air-free**

- Hygienic handling with a perfect fit between pump and fitment
- Cost-effective with extended shelf-life
- Exclusive fit – other products cannot be used in your dispenser

**Easy dispensing with one complete system**

- Portion control
- Easy switching between different condiments
- Your dispenser promotes your brand
- Easy to clean

**Minimum waste with flexible pouches**

- Product yield ~ 99%
- Easy to store and to fold up when emptied
- Decreases your carbon footprint
